

Men's Frames by Kliik Eyewear

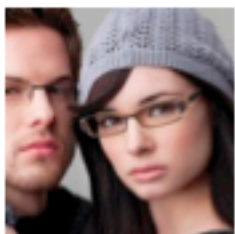

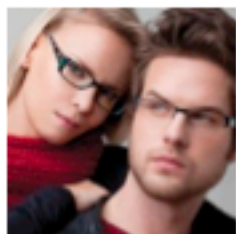

Posted by sophiaherbst, August 15th, 2011

Interested in eyewear? [Subscribe to Framegeek's RSS feed](#) for everyday updates, exclusive contests, and tips tailored to your lifestyle.

Denmark-based eyewear brand [Kliik](#) believes that eyewear and fashion is all about "seeing and being seen". In offering a plethora of unique, premium frame designs, the company hopes to help outfit "men and women who understand the connection between who they are and how they're perceived" with the proper eyewear. Check out their entire collection [here](#).
